

**Rep. Geoff Duncan  
(R-26)**

### **Biography**

Representative Geoff Duncan was first elected to the Georgia House of Representatives in 2012 for the 26<sup>th</sup> District. Geoff and his wife Brooke have been married for 15 years and have three boys, Parker 10, Bayler 7 and Ryder 2. Their family resides in Forsyth County and attends Browns Bridge Community Church, which is an affiliate of North Point Community Church.

Both Geoff and his wife Brooke graduated from Chattahoochee High School in Alpharetta, where they first met. Both later attended Georgia Tech together. Geoff was a scholarship pitcher on the baseball team at Georgia Tech and proudly played in the 1994 College World Series. After his junior season he was drafted by the Florida Marlins organization and opted to leave school early to pursue his lifelong dream of being a professional baseball player. Geoff spent the next 6 seasons working his way through the minor league system and eventually reached the AAA level for parts of two seasons. An untimely shoulder injury, which resulted in surgery, cut his baseball career short in 2001.

After retiring from baseball, Geoff and his wife Brooke started a small marketing company out of their Forsyth County home with a focus on merging old fashion customer service with modern day technology. This unique combination afforded them the opportunity to work with several Fortune 500 companies across the country, and their company quickly grew with sales representatives in several states. Four years after starting the company, Geoff and Brooke sold it to a larger Georgia based marketing company and moved onto their next challenge.

Geoff immediately started a residential construction company based in Forsyth County and currently builds homes throughout the metro Atlanta and north Georgia area. With a focus on larger custom homes, he once again enjoys blending old fashion customer service with technology and has won a Silver OBIE Award from the GAHBA for an EarthCraft home built in the city of Milton.

**Fun Facts:** Geoff is an instrument rated private pilot, has coached 17 youth sports teams, and leads a couples Bible study every week with his wife Brooke.
